Graphic Organizer 6 – Story Map

The graphic organizer is a flowchart with five main boxes connected by lines. At the top left is a box labeled "Characters". At the top right is a box labeled "Setting". A vertical line connects the bottom center of the "Characters" box to the top center of a box labeled "Problem". A vertical line connects the bottom center of the "Setting" box to the top center of the "Problem" box. From the bottom center of the "Problem" box, a vertical line goes down to the top center of a large box labeled "Events". The "Events" box contains a numbered list with three lines: "1.", "2.", and "3.", followed by three blank lines. From the bottom center of the "Events" box, a vertical line goes down to the top center of a box labeled "Solution".
